*Secure Your Place
at the Crossroads of History
and Hope*

Have you ever wished you could leave a permanent mark on the hallowed ground of Seminary Ridge, site of the first day of the Battle of Gettysburg? If so, now is your opportunity to engrave your name in history while helping to preserve the rich legacies and stories of this place for generations to come. This is also a wonderful time to memorialize a soldier who fought here or to honor a regiment whose colors flew proudly above this ground. A minimum donation of \$100 reserves each engraved brick.

Become a part of the landscape in the shadow of Old Dorm, on land that bears witness to great struggle, bravery, and sacrifice. In turn, you'll be supporting the installation of the Seminary Ridge Interpretive Walking Tour that will feature over 20 wayside stops along a 1.5-mile multi-use path. Join us today and pave the way for tomorrow.
